PROFESSIONAL EXPERIENCE

Texas A&M University

Engineering 102 Peer Teacher

College Station, Texas

August 2022 – December 2022

- Taught students about Python and real-life applications in the engineering world; evaluated student projects and explained class information alongside professors
- Assisted students in debugging code and answered questions in relation to class procedures and content

The Woodlands Christian Academy (TWCA)

Technology Office Student Tech Aid and Summer Intern

The Woodlands, TX

August 2019 – August 2021

- Troubleshoot and repaired ~50 Apple Macbooks, iPads, iMacs, and Apple Pencils per month, as well as campus internet and phone systems, to keep technology in use and functioning properly
- Led team members in executing organization of iPads and MacBooks for new and current students
- Resolved technology related incidents with faculty and administration, assisting in optimizing use of provided technology

LEADERSHIP & INVOLVEMENT

Texas A&M Disc Golf Club

President

College Station, Texas

July 2022 – Present

- Collaborated with officers to orchestrate club outlook through monthly meetings and set club budget expectations and team competition goals for the year by evaluating team skills and sponsorship partnerships
- Coordinated with sponsors to solicit monetary and equipment-based donations to grow the club and create lasting relations
- Maintained the club website by uploading new content for club achievements, managing team updates, and updating current club events; answered new club members questions regarding the club and disc golf in the College Station area
- Established yearly budgets for competitions and jerseys and directed financial transactions for club related events; planned for state and national championships by researching hotels, coordinating drivers, and ensuring members arrived on time

Engineering Honors

Member

College Station, Texas

August 2021 – Present

- Engaged with industry professionals and executive professors about current events, projects, and careers
- Networked with fellow Engineering Honors students in class and at luncheons to become aware of new learning opportunities and establish partnerships for future work in industry

Craig and Galen Brown Scholars

Scholar

College Station, TX

August 2021 – Present

- Attended events that reinforced important entrepreneurship strategies from Aggie entrepreneur Craig Brown
- Mentored and helped other scholars to jointly benefit from the programming delivered through discussions during the year

Elevation Disc Golf

Sponsored Team Member

The Woodlands, Texas

July 2022 – Present

- Promoted the brand of Elevation Disc Golf by exhibiting and using company's unique product line and orchestrated promotional events with company owners
